

2. The iBistro screen

Quick Search – you can type in a keyword search here. The default search is set for all items at Central Highlands Regional Library Corporation, however you can search all libraries in the [SWIFT consortium](#) if you wish to, by selecting from the drop-down menu labelled library. You can place holds on Central Highlands Regional Library items yourself, but holds on other SWIFT consortium library items can only be placed by staff.

Find it Fast gives a list of pre-selected searches in a number of different subject areas.

Kids' Library is a children's version of Find it Fast.

My Account is the member's area. Once logged in you can click on this for access to your library card and renewals.

Search/Home will take you to the main Quick Search page of iBistro.

Go Back will take you back to the last screen.

Logout - click to log out of your account or the catalogue

Recommended Reading lists are lists of award winning books from Australian and international sources

Best sellers are lists from Australian and international newspapers and magazines of bestselling books

Hot sites – selected websites that change regularly
